

Directions to ACE Mentor Site Visit on Wednesday, December 16, at 5 PM

Power Construction's jobsite office is located at 680 N. Lake Shore Dr., Suite 1320. Enter into the building at street level, and use the elevators to access the 13th floor. As you exit the elevator bank, the office will be to the left.

Please be sure to wear pants and closed toe shoes. We will be walking inside and outside, so be prepared for the winter conditions.
