[Skender Construction](#)

Amount

A total of \$10,000 will be given at the discretion of the Skender Company.

Timeline

Recipients will be notified of scholarship selection by mid-April

Eligibility

Skender is thrilled to announce that we are offering an educational scholarship in partnership with ACE to support and encourage undergraduate students from backgrounds underrepresented in the industry enrolled in construction management or civil engineering curriculums. This scholarship reflects Skender's promise to provide an authentic commitment to equality, opportunity, and continued advancement of diversity in the construction industry.

Additional qualifications:

- Must have been enrolled in the ACE Mentor Program Chicago chapter during high school.
- Students must be currently enrolled in an ACE Major at a college or university with the intent of working in a career relating to the design and construction of the built environment upon graduation. Preference will be given to Architecture students.
- Must have completed at least 1 full year of post-secondary education. Graduate students are eligible, however preference will be given to undergraduate students.
