

THIS YEAR MARKS 25 YEARS OF ACE!

Since 2000, ACE Chicago has inspired and mentored high school students interested in architecture, construction, and engineering and we are growing!

125

returning students

586

students registered marking a 73% increase in the past five years

101

Chicago area schools represented

02

teams added for a total of 15

54

host companies

Our support extends beyond high school, with scholarships and ongoing connections that help alumni transition to college and careers in Chicago's industry. Over the past 25 years, ACE Mentor Chicago has awarded:

\$3M

in scholarships

\$750K

awarded to high school & college students over the past 3 years alone

80%

of students go on to college or careers in the building industry

286

internships

This anniversary celebrates not only the program's impact but also its role in promoting diversity, innovation, and leadership. In 2024

50%

of students qualify for free lunch

85%

of students identify as people of color

We take pride in watching our high school students become college grads and professionals, many of whom return as ACE mentors themselves.
